

Join TRIUR Construction as a Health & Safety Officer

Location: Various project sites

Employment: Full-time

TRIUR Construction is a dynamic and forward-thinking company with a strong reputation in civil engineering. We are seeking a motivated and skilled **Health & Safety Officer** to join our growing team and help us maintain the highest standards of safety across our projects.

The Role

As a Health & Safety Officer, you will play a vital part in ensuring compliance with safety legislation, company policies, and procedures. You will work independently on a project, as part of a dedicated project team, across multiple smaller projects liaising with site management.

Key Responsibilities

- Provide guidance and support to project teams on all health and safety matters.
- Monitor site activities, ensuring compliance with safety requirements.
- Conduct site inspections and follow up on corrective actions.
- Prepare and review H&S documents (RAMS, H&S Plans, Lift Plans, etc.).
- Lead or participate in accident/incident investigations.
- Deliver and arrange training where required.
- Compile H&S reports and statistics for management.

Minimum Requirements

- Relevant Health & Safety qualification.
- 2+ years' experience in Health & Safety within civil engineering.
- Excellent communication, IT and problem-solving skills.
- Strong time management with the ability to meet deadlines.
- Full understanding of civil engineering works.
- Motivated, enthusiastic and eager to develop.
- Full clean driving licence.

What TRIUR Can Offer You

- Competitive salary (negotiable depending on experience).
- Company vehicle.
- Career growth opportunities within civil engineering.
- Support towards achieving professional titles (e.g. Chartered Engineer, IOSH).

How to Apply: If you are motivated by challenge and inspired by the opportunity to deliver essential public infrastructure, we'd love to hear from you.

Please submit your CV and cover letter to info@trieurconstruction.com with the subject line *Health & Safety Officer Application*.

Be part of a company where your contribution makes a difference. At TRIUR, safety comes first – always.
